 Available to work

Chloe Chou, a Senior Product Designer

About me

👋 Hi, I'm Chloe. I'm a product designer with 10+ years of experience designing web and mobile products. I enjoy working through complex ideas and shaping them into simple, intuitive experiences.

Skills

Product Design · UX/UI · Interaction Design · User Research · Prototyping · Figma · Miro · Adobe Creative Suite · HTML/CSS

UCI Continuing Education
December 2017

B.F.A., Communication Design

Texas State University
Dean's List 2011, 2012

Experience

Associate Director, Product Design at JibJab

Los Angeles, CA • Nov 2020 – May 2025

- Led product design for JibJab Web and Mobile, driving new features and platform improvements.
- Built and expanded a modular design system to support seasonal campaigns and product launches.
- Led new product experiences including Starring You AI and JibJab Invites.
- Partnered with marketing to design campaign assets, landing pages, and email templates.

Designer & Front-End Developer at SunStreet

Irvine, CA • Jun 2018 – Nov 2018

Designed and coded responsive website assets using HTML, CSS, jQuery, and JavaScript, and maintained sites using WordPress, Shopify, and OctoberCMS.

Web Designer at Asia Fusion Technology

Taipei, Taiwan • Jun 2014 – Mar 2017

Designed digital products across multiple industries in a collaborative environment, from concept to final execution.

R/GA Freelance Visual Designer at R/GA

New York, NY • Nov 2013 – Feb 2014

Contributed to digital design projects for global clients including Samsung.

Graphic Design Intern at Moment

New York, NY • May 2013 – Aug 2013

Collaborated with the design team to create mobile interfaces focused on user needs, and developed a concept app using Google Glass to enhance the Bronx Zoo visitor experience.
